Hi Dave – attached is the information request I mentioned a few minutes ago – I just love the partnering tone of the letter...

Would you be available next week for a 1+/- hour meeting to discuss this site? We need to get started in responding to this request and it would be very helpful to pick your brain for background. Also, if you could forward the letter on the site that you mentioned that would be very helpful.

Tom,

We received the attached information request from EPA – we'll need Engineering's help on coordinating a response. We should meet after you've had a chance to review the letter.

Thanks –

Kelli
